

The Market Pub

Buffet Menu

At the Market pub we can cater for groups of all sizes from a few people for after work drinks and sandwiches, to groups of up to 100 for birthday parties, retirements and all manner of other functions. Below is a list of some of the dishes that we can do for groups. This list is just an indication. We are more than happy to tailor our buffets to the guest's satisfaction and in the past we have prepared bespoke buffets which have featured fresh Seafood & Wild Game as well as a fully Vegetarian buffet.
